# CaseShield PTM

Energy Savings Solution for Multi-Deck Cases that

### SHIELDS:

- Shoppers from cold aisles.
- Merchandisers from high energy costs.
- Products with tighter temps in the case.

Leading the food retailing industry with innovative solutions.

Saving Energy with Improved Air Flow

#### Shopper Focused

- Reduce cold air aisles for longer linger times.
- Doesn't impede product visibility.
- Promote positive environmental impact.
- Extended PTM for better visibility of price tags.

#### Maximize Savings

- Reduce energy by 15%-20% or more.
- Reduce average and maximum product temperatures to mitigate shrink.
- Typical payback < 2 years.

#### Merchandising Impact

- Integrated price tag molding for multiple size paper tags or Electronic Shelf labels.
- Standard color options to blend with existing shelving.
- Center alignment clips to ensure nice, straight lines.

#### Operational Flexibility

- Slides onto Hussmann 22" and 24" shelves with no tools required.
- In-store, non-technical labor can install in just seconds per shelf.
- Available on new cases or retrofit existing.
