

HUSSMANN® COIL CLEANER

Heavy Duty

1 US Gallon (3.785 Liters)

NSF

Nonfood Compounds
A1

Hussmann Coil Cleaner is a concentrated cleaner and degreaser for Condenser or Evaporator coils.

Approved for aluminum, coated and microchannel coils. Friendly on all plastic and rubber components.

Dilutions of 20:1 or greater used on Condensers do not require rinsing. Rinse recommended for Evaporators and case components.

Hussmann Coil Cleaner is free of hazardous chemicals, toxic odors, and won't burn your skin.

Manufactured for: **HUSSMANN®**
Part Number: 3078662

DILUTION INSTRUCTIONS:

- 5:1 for Heavy Duty Cleaning
- 10:1 for Medium Duty Cleaning
- 15:1 for Light Duty / Spray and Wipe Cleaning
- 20:1 for non-rinsing on Condenser Coils

DIRECTIONS:

- Turn off or disconnect all power from system.
- In food storage areas remove or protect all food and packaging materials.
- Spray cleaner and saturate coil with fluid.
- Wait 10-15 minutes to allow fluid to loosen and remove dirt, grease, and grime.
- Condenser Coils: No rinse required at 20:1 or higher dilution.
Evaporator Coils / Food Processing Areas: A potable water rinse is required after use.
- All done! Put system back into operation.
